SCANDINAVIA

Tea has been a tradition for most cultures for the past 5000 years. Tea is the social lubricant for human social interactions and celebratory ceremonies, a gesture of hospitality and goodwill. It's the go-to beverage to relax and reflect on precious moments. At VIVA, we honour and value the importance of this ancient tradition. And so, we strive to modernize these traditions and take them to new heights, allowing us to pass them on to current and future generations to maintain their enduring values.

**Our mission is to inspire the world to relax and feel better with the perfect tea experience, every single time.**
